# NEXT GENERATION CONTENDERS

**Global Independent Baptist Fellowship Meeting**

— **September 16-18, 2024** —

*Hosted by Bible Baptist Church | Stillwater, Oklahoma*

**A** **NOTHER GENERATION OF CONTENDERS FOR THE FAITH** is coming onto the scene and the future is bright. The September 2024 GIBF meeting in Stillwater, Oklahoma, will be a time to be challenged and inspired by younger men that God is using all across our country. It is my prayer that this meeting will feel like a changing of the guard in a way that encourages the heart of the men who have contended before us. That generation deserves an opportunity to see that their faithfulness has not been in vain and that the coming generation is prepared to contend as faithfully as their fathers.
